January 25, 2009

Attendees: Maryann Groves, Pat Maloney, Val Maloney, Barbara Marshall, Don Marshall, Karen Norteman, Kathy Walsh, Kenny Walsh

President Val Maloney called the meeting to order at 2:25 PM.

Membership Report

New members from RI: Jim Coady, his wife Chris, and daughter Rori. They have two puppies from Mary Jane Clemmer.

Treasurer's Report

Connie reported by phone that we have \$641.74 in the bank, not counting another \$25 or so in our PayPal account that has not been transferred yet. Also pending: \$100 bid for statue from Barbara, 25 from the Coadys' family membership, 15 returned from Karen for AKC event fee (first event of the year is free). Outgoing: Connie wrote a check for \$80 to YCKC for rosettes.

Activities

Agility event: runs, raffle, maybe a clinic? Happy Tails is closing, so maybe rent It's a Dog's World for an afternoon?

Rally Fun Day: We'd like to invite Judy Kay back for another Rally Fun Day sometime.

Supported entries: The show will be in Acton this year, but this is the last time. In 2010 and beyond, YCKC will be clustering with Vacationland in Scarborough.

List of trophies is done and sent to YCKC and MB-F for the premium list and catalog. Will we have lunch/silent auction this year? We need to get our silent auction items together and make a list of supplies we'll need.

Karen will do publicity for both events on Facebook and the Web site, plus emails to the membership. Maybe postcards?

Regional Specialty: Kathy passed around a copy of the trophy list that went into the Premium and catalog for Ladies and for the supported entry at Framingham. Paperwork is done, premium is done.

Ad coming out in Bulletin and Bagpipes.

Karen said that AKC approved Kandis to judge Sweeps. Approval for the entire event is pending, but is expected to have final approval.

Barbara offered a Stanbridge statue for auction as a fundraiser. Photo of the statue is on the Donbarlen Web site.

We need to find a local seafood restaurant for a traditional lobster dinner that Saturday night. We need to plan our lunch and our silent auction and find people to head those up.

The meeting was adjourned at 3:20 PM.

Respectfully submitted,

Karen Norteman
